One Big Secret...

Broke and in need of a job, barrel racer Erin Walker has returned home after years of traveling the rodeo circuit. But the only job available is working for the man who broke her heart and left her pregnant and alone. Not a day goes by that she doesn't wonder about the son she and Jake had, whether he's happy with his adoptive parents or what her life would have been like if the three of them had become a family.

Jake Canfield just wants to get close to Erin again and perhaps rekindle what they once had. But is that possible? It depends on the sudden appearance of the one person who could bring them closer together!
