U.S. Army Patches, Flashes and Ovals brings together in a colorful source more than 3600 cloth insignia worn by U.S. soldiers from World War I to the present. Picking up from where his well-known best seller U.S. Army Patches left off, Barry Stein has gathered officially approved patches from both active and inactive units, patches approved for local wear, as well as many unauthorized patches. The book, with its sharp, vivid, photos takes a snapshot profile of each unit.
