About the Book

A C A D U; A Clear and Defined Understanding-An Introduction, the first of a series of 17 books, is about the Hu³'s (Human Element's) individual and collective cognitive and conceptive ability to comprehend definition, meaning, and purpose relativity to procreating and gathering its human experience. This book introduces the Hu³ to the methodology, philosophy, and psychology of its definition, meaning, and purpose relating to the Origin's InCeption, Created Process, Human InCeption, Human Process, and Creation's Relativity.

A C A D U-An Introduction; when the Hu³ Became Created-Became Aware-Became Conscious of Self and Environmental Relativity, the Hu³ became distracted by the nuances of its definition, meaning, and purpose relative to its Sustained Physicalized Conscious Intellect; its Created Status (physical, mental, and spiritual state of being resonated). This distraction to this day placed the Hu³ in a self induced Conscious Stasis without any regard to definition, meaning, and purpose; rendering him "Blinded by the Light".

A C A D U-An Introduction illustrate the Consummation of Conscious-Consciousness, Explication of Self, One's Duty to Humanity, Your One opportunity, Perfecting the Human Process, Human Standard Framework, The Art of Living, Human Service Creed, Tools to Assure Existence, Origin's InCeption, Standard Framework (Universal Prime Directive), Human InCeption, Created Identity, Humanity a Dual Gender Service Fraternity Perfecting the Human Process, Tools to Assist Existence, Created Process, Creation's Relativity, Hypostatic Ramifications, etc.

A C A D U-An Introduction is an prelude to a comprehensible, deeper and distinct "Cognitive Conceptualization" of finite and infinite Elements of Life ((EOL)people, places and things) and their Social Matters (SM) definition, meaning and purpose relativity applied to the Living Phenomenon(s) in the attempt to perfect the Human Process. In a nut shell; ACADU is that clearly defined understanding of the 1/10 reality that influences your/those perception(s) into what you deem as real. The other 9/10s are your perceptions masquerading as absolute individual and collective reality.

More than anything; A C A D U-An Introduction is about whether the Hu³ is mature enough to comprehend its own definition, meaning, purpose and the ability to apply this understanding to "Perfect the Human Process" according to the Human Standard Framework.

A C A D U-An Introduction is an introduction to the light you forfeited. "What is it like possessing and applying A C A D U to everything relative to your Living Phenomenon, you ask? "You have no idea"!
