**Bitchcraft is Mystic's brand-new & unique take on Dark Moon Lilith – the Original Bitch-Goddess, the Whore in the Madonna-Whore Complex, ancient Snake Deity and the Lady-Mars.**

"They say well-behaved women seldom make history and Lilith is the original Bad Girl of the Bible. The astrological Lilith is ravingly feminist. She operates like a Lady Mars. Repress the energy and she turns into more of a Toxic Pluto influence. That is, poisonous at the deepest wells of your psyche. Just like Mars in your chart can be a force of self-actualising Awesome or a sociopathic lout, Lilith manifests as an Amazonian power of glam, composed resilience... OR she can be your personal nightmare of rage and self-destruction. Hers is not the sort of power that comes from being nurtured or mentored. Lilith is the sort of pure raw Bitchcraft you have to draw upon in severe moments. The strength you suddenly summon post-breakup, unexpected career crap or when recovering from an abusive situation is Lilith. You know it when you feel it, right?"

**This is your guide on how to access and max out the secret super-powers of your Lilith, Lilith by Sign + House, with examples from fabulous bitches and a full ephemeris included.**
