Ensayo Sobre La Lucidez SARAMAGO JOSE

Durante las elecciones municipales de una ciudad sin nombre. la mayoría de sus habitantes decide individualmente ejercer su derecho al voto de una manera inesperada. El gobierno teme que ese gesto revolucionario. capaz de socavar los cimientos de una democracia degenerada. sea producto de una conjura anarquista internacional o de grupos extremistas desconocidos. Las cloacas del poder se ponen en marcha: los culpables tienen que ser eliminados. Y si no se hallan. se inventan. Con esta obra. Saramago. un escritor que se ha convertido en la conciencia lúcida de una época cegada por los mecanismos del poder. lanza una llamada de alerta: Puede suceder que un día tengamos que preguntarnos: Quién ha firmado esto por mí . Ese día puede ser hoy.
