The Johns Hopkins Internal Medicine Review:

- Presents over 1000 questions in print and online that mirror the content and format of the ABIM exam-far more than in any other review text-with explanations of why each answer is or is not the best answer for a thorough test of your knowledge.
- Covers all of the image types you'll see on the boards through over 475 clinical images-370 in full color-including X-rays, common skin findings, peripheral blood smears, ophthalmology findings, and CT and MR images.

The Johns Hopkins Internal Medicine Board Review Lectures 2009 DVD:

- Features an audiovisual presentation that mimics the experience of attending a real course presented by leading authorities who have helped many residents prepare for the boards.
- Focuses on the specific information that you need to know to pass the boards-and nothing else-ensuring that you won't waste your valuable time studying extraneous material that isn't covered on the exam.
- Lets you download lectures in MP3 format so you can listen on the go using portable audio devices.
