Sick of the daily grind, the cubicle, the 9-5, and living average? Thirsting for more in your life? Does traveling whenever you like, working as much or as little as you want, being your own boss, injecting adventure into your life... while making more than your grind-it-out job sound appealing? Newsflash: it's within your reach Not only that - it is easier than you ever thought, and I am living proof of this. Memories of my lifestyle back home are just blurs compared to the ways I take advantage of my freedom now - riding elephants, scuba diving, traversing world-famous mountain ranges, eating delicacies until my stomach explodes, and basking in nature that made me feel like I was living in an issue of National Geographic. This book is a result of the steps I took to forge my own path to seize the life of my dreams, interwoven with the experiences of dozens of other people who have done the same thing (<http://bit.ly/MoreCoolVideos>). You will learn exactly what you need to do to get started from scratch, and I promise it's so much easier than you think! What will you learn inside? - How little it really takes to break away and start living on your own terms. - The most proven options for getting started so you can choose which path is the best fit for you. - The five most common mistakes that cause failure - and how to smash them. - EXACTLY how to start from scratch, and how you can get started tomorrow. - How to go take the step from wantrapreneur to true lifestyle entrepreneur. - A step by step guide to how to grow and scale a business to make more than you earn now... while working less. I know what you are thinking... - NO this does not require that you have a degree in business (I don't know a single entrepreneur who does) - NO you don't have to have previous experience (I started as a stupid college kid!) - YES you can do it, despite whatever other excuse you might be thinking of (you have kids, debt, you live in Bulgaria, doesn't matter) Get ready to get started TOMORROW breaking out of the grind, working for yourself, building the life of your dreams, with the freedom to travel the world while you do it (if you so choose - I did). Seize the remarkable life you deserve! Click the BUY NOW button at the top of this page and unlock your new path in life. P.S. Don't let fear stop you from living the life you deserve to live. Read this book, and take action on it. You will then become a part of the minority who doesn't let society dictate the rules...you'll be someone who sets your own! "I've read quite a bit of "advice" on how to become location independent and financially independent. None of it stuck because it assumed starting with access to a large amount of savings, or focused solely on blogging, which isn't my interest. Reading this book I realized I'm already way closer to my dreams than I thought. Grant helps you identify your potential business models, shows you common pitfalls to avoid, and even has a walk through for going from zero to independent, in case everything falls apart. It's not a one solution fits all book." - Jeny "Break The System is like the encyclopedia to Digital Nomads. If you ever wanted to know more about full time travel or making money online and wanted to see how others are already doing it, this is a great reference and resource." - James
