Crocheting can be used to make all sorts of accessories and original artistic creations, but you can also crochet yet another original needlework: quilts. This book will show you how to crochet your very own quilt that will keep yourself and your family members warm during the long and grim winter nights, that will bring a splash of light into your bedroom or living room and that will make your mother and grandmother beam with joy and pride.

This book will show you how to crotchet simple, unicolor or multicolor Granny squares and other quilt patterns that you should then stitch together to make an original and creative quilt. It will also describe the most popular stitching techniques that will make your quilt even more beautiful. You will find out all about how to make both useful and interesting quilts of various sizes and colors. The options are endless, so all you need is to change the color combinations, the size and the motifs to adjust the crocheted quilts to your needs and the colors of your furniture or of your favorite color.

## Here is what you will learn after reading this book:

- How to crochet the five most popular and easy Granny squares
- How to make creative and colorful quilts from a scratch
- The three most common and simplest quilt stitching methods

Arm yourself with crochet hooks, skeins of various colors and patience and start crocheting quilts!
