National Restaurant Association

ServSafe Coursebook (6th Edition) National Restaurant Association

Delivering comprehensive training of key food safety concepts, **SERVSAFE COURSEBOOK** is the ideal solution for the academic setting, multiple-day training or individuals in need of more extensive food safety training. The content in *ServSafe Coursebook* goes beyond the principles found in *ServSafe Manager Book* (formerly *Essentials*) and adds greater depth and breadth of food safety practices by featuring expanded sections on food defense, high-risk populations, active managerial control, and crisis management. Based on a new job task analysis revised exclusively for the Sixth Edition, the book reflects the latest updates from the 2011 Supplement to the 2009 *FDA Food Code*, new science-based and industry best practices and prepares students for the ServSafe Food Protection Manager Certification Exam.
