You have plenty of ideas you want to put into a book, but you're stalled.

Maybe you start, but can't find the time to continue. Or you're frustrated with the writing process. And when you seek advice, people tell you, "It's all about discipline", or they talk about what writing software to use. But that doesn't help you actually write your book.

So you never finish your book, the world never gets the benefit of your wisdom, and you never get the benefits of being an author.

Isn't there an easier way?

Now there is.

In *The Book In A Box Method*, Tucker Max and Zach Obront show you the exact steps you can follow to go from idea to finished manuscript, in an easy, quick way -- even if you're not a writer.

- Crystallize your book idea
- Create your book outline
- Create all the content for your book
- Edit that content into a great manuscript

With *The Book In A Box Method*, you'll be able to write a better book - in less time - than you ever thought possible.
