But having worked for the archaeologist several years ago as a sandhog on a secret but failed dig just outside the Great Pyramids in the Giza Plateau, Chase smells a renewed opportunity to uncover what just might be the most prized archaeological treasure in the world: The mortal remains of Jesus. But how will Chase Baker go about solving the mystery of finding both the archaeologist and the Jesus Remains? With the help of Manion's beautiful ex-wife, Chase will manage to secure an up-close and personal examination of the Shroud of Turin, not only to view the famous image of the crucified Christ, but to unlock the relic's greatest secret which is none other than a map, or a key, detailing the precise location of Jesus's body.
