### **Threesome Romance**

When Amber took an easy elective in college she wasn't expecting to be seated next to the two star players of the college hockey team. As an American student she already felt out of place, but as a full figured woman in a sea of skinny co-eds made her feel more insecure. She covered up her voluptuous body with baggy sweaters and heavy jackets. That is until her two star athlete classmates began to pass dirty notes to her wondering what is underneath all those baggy clothes. This foreplay incites an obsession in Amber that she indulges by clipping photos of them and posting them on her walls. When the two guys seduce her and finally get her in her room alone they are shocked to see the photos of themselves. Their reaction is not what Amber expected and they too become part of her game of obsession.
