Just on more cut. Just one more drop.

Faith Livingston has only ever known pain. With a past that she tries to keep hidden, she has a hard time trusting or loving anybody. That is until she meets Seth Jacobs. After sharing one night together, he walks away from her. She tucks her feelings for him away but soon realizes he is all she ever wanted.

There's just one tiny problem. He's married.

Seth Jacobs has been unhappily married for five years but guilt forces him to stay with Krystal. When Faith steps into his life, his world is turned upside down and though he know he can't have her, thoughts of her consume him.

Will true love find its way to them? Will they withstand the trials thrown at them? Or will they realize that sometimes love just isn't enough?
