Business Vocabulary in Use Intermediate Second edition is for students and professionals looking to expand their business vocabulary. Bringing learners up to date with the language they need for business today, this book explains words and expressions and also provides practice of using the new language. This second edition comes with a CD-ROM which offers practice exercises and games, audio of each word or phrase, tests and a phonemic chart for pronunciation support. This second edition reflects recent developments in technology, global relations and financial practice and covers a range of topics from Finance to Culture at Work. It also helps learners develop skills in key areas including Presentations, Meetings and Negotiations.
