Consilience: The Unity of Knowledge Edward O. Wilson

"A dazzling journey across the sciences and humanities in search of deep laws to unite them." --The Wall Street Journal One of our greatest living scientists--and the winner of two Pulitzer Prizes for *On Human Nature* and *The Ants*--gives us a work of visionary importance that may be the crowning achievement of his career. In *Consilience* (a word that originally meant "jumping together"), Edward O. Wilson renews the Enlightenment's search for a unified theory of knowledge in disciplines that range from physics to biology, the social sciences and the humanities. Using the natural sciences as his model, Wilson forges dramatic links between fields. He explores the chemistry of the mind and the genetic bases of culture. He postulates the biological principles underlying works of art from cave-drawings to *Lolita*. Presenting the latest findings in prose of wonderful clarity and oratorical eloquence, and synthesizing it into a dazzling whole, *Consilience* is science in the path-clearing traditions of Newton, Einstein, and Richard Feynman.

From reader reviews:

Cassie Merritt:

Within other case, little persons like to read book Consilience: The Unity of Knowledge. You can choose the best book if you want reading a book. As long as we know about how is important some sort of book Consilience: The Unity of Knowledge. You can add knowledge and of course you can around the world by a book. Absolutely right, simply because from book you can learn everything! From your country until foreign or abroad you will be known. About simple issue until wonderful thing you can know that. In this era, we could open a book or maybe searching by internet product. It is called e-book. You can use it when you feel uninterested to go to the library. Let's read.

Marcella Aragon:

What do you about book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need that Consilience: The Unity of Knowledge to read.

Maria Hughes:

Spent a free the perfect time to be fun activity to do! A lot of people spent their leisure time with their family, or their particular friends. Usually they performing activity like watching television, about to beach, or picnic from the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Might be reading a book can be option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try look for book, may be the book untitled Consilience: The Unity of Knowledge can be great book to read. May be it can be best activity to you.

Charles Moreno:

The reason why? Because this Consilience: The Unity of Knowledge is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.
