Deception is a dangerous path... New York City, August, 1891 – Orphaned after the death of her father, Chloe Waverly stows away on La Voyageur to escape the clutches of her cruel fiancé, Lamonte Beckett. Gabriel Hill, a strange and compelling gentleman, comes upon Chloe and promises to protect her without knowing the true circumstances of why she is running away. During their journey, Gabriel doesn't bargain on being distracted by her fair beauty or succumbing to her many charms. As their attraction to each other grows, so does the danger and Gabriel suspects things are not as they should be. Both are determined to get to New Orleans, where she can start a new life. But, once they reach their destination, events spin out of their control and Chloe is captured by the fiancé she escaped. Gabriel is left wondering if he can overlook her betrayal. Soon he finds himself in a race against time, to reach her before Beckett can exact revenge.
