Michael Ashbury

Who is the REAL John Kerry? (Political Commentary Critique) Michael Ashbury

"Who is the REAL John Kerry?" traces the political commentary that exemplifies his heritage, his aristocratic upbringing and current life, his lack of heroism in Vietnam, his anti-war activities, his liberalism and lack of achievement in the US Senate, his lack of character and leadership experience, his continual flip-flops on issues, and the fact that prominent members of his own party question his candidacy to be President.
