## **Return to the Hills of Mars (The Hills of Mars Series) D. R. Haskin**

In 1896, a nation was in the grips of the worst economic depression in history. In the country's heartland, farmers struggled to provide for their families. Presidential candidate, William Jennings Bryan, saw the struggles of rural America and felt he could help. Meanwhile Wallis Haskin and his family return to the Verdigris Creek valley from Missouri and attempt to rebuild their lives. Disappointed by William Jennings Bryan's defeat, the Haskins and their neighbors fear great challenges lie ahead, and they wonder if the town of Mars will survive. Return to the Hills of Mars is a story of healing; it is a story of hope; it is a story that is universal to all rural areas of America.
