The Tragedy of Cambodian History: Politics, War, and Revolution since 1945 David P. Chandler

The political history of Cambodia between 1945 and 1979, which culminated in the devastating revolutionary excesses of the Pol Pot regime, is one of unrest and misery. This book by David P. Chandler is the first to give a full account of this tumultuous period. Drawing on his experience as a foreign service officer in Phnom Penh, on interviews, and on archival material. Chandler considers why the revolution happened and how it was related to Cambodia's earlier history and to other events in Southeast Asia. He describes Cambodia's brief spell of independence from Japan after the end of World War II; the long and complicated rule of Norodom Sihanouk, during which the Vietnam War gradually spilled over Cambodia's borders; the bloodless coup of 1970 that deposed Sihanouk and put in power the feeble, pro-American government of Lon Nol; and the revolution in 1975 that ushered in the radical changes and horrors of Pol Pot's Communist regime. Chandler discusses how Pol Pot and his colleagues evacuated Cambodia's cities and towns, transformed its seven million people into an unpaid labor force, tortured and killed party members when agricultural quotas were unmet, and were finally overthrown in the course of a Vietnamese military invasion in 1979. His book is a penetrating and poignant analysis of this fierce revolutionary period and the events of the previous quarter-century that made it possible.

Helen Price:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This The Tragedy of Cambodian History: Politics, War, and Revolution since 1945 can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Denise Kerrigan:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Tragedy of Cambodian History: Politics, War, and Revolution since 1945 can make you feel more interested to read.
