Daddy's Boy Otis A Etheridge

The story is loosely based on the real life of young man growing up in rural Virginia. Though the boy's father died while he was young, the boy eventually comes to realize that his father was always there for him, offering love and protection. He learns that all the obstacles, disappointments and adversity, as well as good times and successes he experiences, along with the belief system his father instilled in him at an early age makes him the adult he has become. Indeed, he comes to understand that the dominant male figure in any boy's life can mold what type of an adult that boy becomes. In this instance the influence is so powerful, that the man comes to know that he will always be Daddy's Boy.
