Emails from God? This book is filled with real life emails. They contain within them some of the normal daily struggles of life that we all go through. Some of the emails are from ordinary people, and some of them are from church leaders. Perhaps you will be able to identify with some of the situations in which these people found themselves? - What if God were to talk directly to you? - What would you ask Him? - How might that change your life? I invite you to join me on a journey to discover what might happen in your life if God were to begin talking directly to you. Come and explore the possibilities with me... Sincerely ~Mark Craythorn
