Jim Ryan and Simon Ralph, co-authors of 'How to Relax Your Mind – The 10 Best Ways', are both deeply interested in the human mind, and consciousness. They are on a life-long spiritual voyage of discovery, and have a strong desire to grow their awareness on a personal level, and to help others to discover their true identity of Soul. They do however, have very different backgrounds.

Jim is a former Head Master, a teacher of teachers and management trainer. He is a long-time practitioner of meditation and spiritual study. His path has been through many ways, exploring the depths of Christian mysticism and the subtle arenas of psychic and spiritual experience to the practical strategy worlds of human development in both, the educational and corporate worlds. “It’s one journey, one direction and one destination”, Jim emphasises.

Simon chose to see life from another perspective, that of global traveller, DJ, and once a Bus Driver. Amongst other adventure, he has trekked the Himalaya Mountains, sailed the Caribbean Seas, backpacked the Australia Outback, and driven the perimeter of USA. But now, his journey is an internal one. An inner journey of realising the self, the drama of life we are in, and God.

He now focuses his attention on creative projects, on which he shares: “for me, creativity is the cutting edge of alive-ness. When I am inside the creative process, I am truly living...”

Strangely, both authors do have many things in common. Both have published books before co-writing together. Jim Ryan is the author of, The Crystal Mind, Meditation The 13 Pathways to Happiness and Into The Stillness. Simon Ralph aka The Yogi Bus Driver released Soul Journey of a Yogi Bus Driver, late 2014
