**Pure Joy!** Crystal Wade, Arthur A. Burk

This book was written by Crystal Wade and Arthur Burk. This book flows from a rich stream of experience, spiritual authority, and passion for people to reach the fullest of their God-given potential. This book is a collection of blessings that are written with the specific purpose of ministering to babies in the womb. Though they are directed to children, they can be a powerful tool for healing and nurturing the spirit of an adult as well. The spirit has the greatest potential for joy. There are so many facets of our spirit's relationship that are designed to produce different flavors of joy in our spirit. The capacity for joy is often far greater than our ability to fill it. Use this book to fill the void, whether it is to minister to an unborn baby, your child, your teen, your parents, or your husband.
