Urban Teens in the Library: Research and Practice Denise E. Agosto, Sandra Hughes-Hassell

"Urban Teens in the Library" is the perfect solution for the concerns and uncertainty many librarians face when supporting this group of patrons and students. From a team of experts who have researched the information habits and preferences of urban teens to build better and more effective school and public library programs, this book will show readers: the importance of moving beyond stereotypes and revamping library services; the value of street lit and social networking; and, how a library website can meet the information needs of teens. This groundbreaking book is relevant to all librarians working with urban teens and looking for ways to reach out to them.
