Reading Colin Flaherty's book made it painfully clear to me that the magnitude of this problem is even greater than I had discovered from my own research. He documents both the race riots and the media and political evasions in dozens of cities across America.

Impeccably and carefully documented.

This is what makes the book *White Girl Bleed a Lot*, by award-winning author Colin Flaherty, such an astonishing read. It thoroughly documents what is nothing less than the modern rise of the race riot in America: dozens upon dozens of dozens of events with a clear racial component, many of them black-on-white or black-on-other-race assaults punctuated by blatantly racist hate speech. What makes it even more astonishing, though, is the prevalence of officials brushing over or covering up the truth.

**Global Geopolitics**

Important.

**WFLA radio**

Must read.

**Sevier County News.**

For the first time a new book breaks the code of silence and reveals the explosion of racial violence in more than 50 cities since 2010.
