A Textbook for Internal Medicine Education Programs (The Toolkit Series)

The 9th edition of the text previously known as the APDIM Program Manual. For this edition, APDIM collaborated with the Association of Specialty Professors (ASP) to expand the content to appeal to a broader audience, including residency, fellowship, and clerkship directors; division chiefs; department chairs and chiefs; and the administrators of residency and fellowship programs. This book is a valuable resource for tackling common problems encountered in the administration of internal medicine education programs. The eighth edition includes over 40 chapters (including 15 new chapters) by 70 expert faculty and staff members.
