Even though I am an adult, I know that I will always have the heart of the **man of the house**. I always have and always will. For as long as I can remember, the lady of the house was jealous of all the attention I received. One day, she took me aside to share some shocking news with me. The man of the house wasn't exactly who I thought he was.

Upset that she would keep such a big secret from me for so long, I started looking for ways to get my revenge. It may have been uninitiated but I would have the man of the house fix that soon enough. As our private lives evolved, we even brought a neighbor in on our fun.
