Paleo Snacks! I believe Paleo snacks are one of the most important aspects of the Paleo lifestyle. Well, at least for me anyways. I have found myself more than once or twice wanting to grab something out of the vending machine or at the checkout counter that certainly wasn't Paleo. And I would venture to guess that most of us have.

You may have conquered Paleo dinners and lunches, maybe even breakfast, but what about the time between meals? I hope that my book, *Paleo Snacks that Make the Paleo Diet Easier*, will help. I have included 30 of my favorite Paleo snack recipes. I'll be the first to admit, some of the recipes are more delicious than healthy, but then again, this is a lifestyle not a diet so why not enjoy a tasty snack every once in a while.

I will offer a disclaimer, this is strictly a recipe book as I did not include pictures or a description of the Paleo lifestyle/why you should be doing it. The reason being is that I figured most people looking for Paleo snacks already know what I could tell them and it would just be added fluff that is easily found on the internet or in my other book, *Paleo: Surviving the First 7 Days*.

With that being said, I hope you enjoy *Paleo Snacks that Make the Paleo Diet Easier*!
