Path for Academic Success Josh Tiffany

With nearly a decade of college recruiting experience, Josh Tiffany has met with thousands of high school students and parents who all have a skewed vision of how the college admission process works and what scholarships are available. So many myths exist in the process; so many families miss out on opportunities available to them because of these myths. As a result, a 501(c) (3) nonprofit organization, Path4Success.org was founded. This organization is dedicated to helping students learn the importance of an education, not only in high school, but also the benefits of earning a college degree. This book will help families start on the right path and will answer questions they have about the process.
