Restructuring and Quality: Issues for Tomorrow's Schools (Studies in the Social History of Medicine)

Restructuring and Quality: Issues for Tomorrow's Schools (Studies in the Social History of Medicine)

The restructuring of schools systems across the world has been controversial. Have reforms been driven by a desire to cut educational budgets or the need to improve the quality of educational provision? This book explores the restructuring movement, with a particular emphasis on how decentralisation of power has affected the quality of education. It provides a broad and international picture of educational reform.
