Want to make extra money working from home?

Amazon Mechanical Turk is loaded with micro-jobs that make it easy to earn money from anywhere that you have an internet connection. With many sites out there claiming you can earn cash from home, Amazon has created a legitimate platform where you can earn extra income.

This book is packed with everything you need to know including:

- The basics about how and when to get the best work.
- The best requesters who offer the highest pay rates.
- The most useful scripts and browser extensions that will help you get more work done faster.
- Online forums that add the most value for turkers.
- My theory on the elusive Masters qualification.
- Random tips and pieces of advice that I've discovered over a few years of working on MTurk.
