When fox-shifting Angie Holton goes to work, she's all business. Being all work, all the time, is starting to wear her down. Angie is lonely, though she'd never admit it. She goes from one thing to the next, more surviving than living, and has more or less given up on the whole love thing – who has time for all that anyway?

That is, until she meets Dawson Lex – a piano playing, hamburger cooking, sexy-as-hell werebear.

Dawson's not just a pretty face and... really, really muscular arms. This bear has a dark, violent past and a present that barely keeps him from exploding again. But once he lays eyes on Angie, he knows he won't—can't—let this one go.

These two will have to scratch, bite, and hold on as tight as they can. Even if they have to survive gunshots, claw fights, and some REALLY obnoxious 911 calls, they're never going to give up on this weird, beautiful love.

\*\*\*The Mating Call Dating Agency is a series of standalone paranormal romances that can be enjoyed in any order. Each pair finds their own HEA – these books are perfect for a quick getaway in the middle of a hectic day!\*\*\*
