Miami football was literally born of its namesake, with the first season delayed by the howling winds of The Great Miami Hurricane in 1926. But from those humble beginnings rose a storm a team that gathered in intensity until there were whole decades where it seemed as though nothing could stop it. The Miami™ Football Vault®: The History Of The Hurricanes™ captures the fierce fury that is Miami football. Bruce Feldman, senior writer at ESPN The Magazine, combines great game coverage with stories of the unique personalities, both players and coaches, who make up Miami s colorful history. It s a view of Hurricanes football that you won t find anywhere else. UM fans will also find never-before-published vintage photographs, artwork and memorabilia drawn from Miami s extensive campus archives, along with reproductions of old game programs, historic tickets, stickers and other amazing replicas tucked into dozens of sleeves and pockets. You can read a 1936 telegram offering Walt Kichefski a football scholarship, hang our 1950s hurricane-warning flag mini-pennant, read a 1973 article detailing Tony Cristiani s life in the circus or unfold a 2007 historic Orange Bowl poster. All of this and more is locked inside the Miami™ Football Vault®: The History Of The Hurricanes.™
