Without Apology Stephen M. Jones Jr.

A simple apology about a misunderstanding that shouldn't have happened in the first place was all that was needed and it would have been over! We wouldn't have known about the dirty-kneed intern, Clinton wouldn't have had to lie about it in our deposition, which cultivated the Starr investigation that launched the impeachment proceedings.

To the highest branches of Government to the smallest business enterprise, no one should be subjected to lured behavior on the job. The Jones lawsuit would not go away, simply, because it was "Without Apology." This is my trus story; the names have not been changed because there's no innocence to protect.
