BOOK #1: Off Grid Living: 23 Techniques With Step-By-Step Instructions on How to Live Off-the-Grid and Survive in the Wild

Going off grid is a means of liberating yourself from the shackles of the way services are delivered today. But more than that, it is the freedom of the limiting thought of our current way of life. It is the opportunity to ensure that you meet all your needs for survival and in doing so you ensure that you are fully in charge of your own life.

This guidebook is the start of that quest for freedom. In it you will learn how to:

- Build an off the grid home right where you are today,
- Survive in the wild without basic utilities,
- Take off grid living on the road with power and fuel, and
- Make sure your off grid lifestyle is sustainable so you never have to plug back into the Matrix again.
