We'll never quite know why, but sometimes they decide they've just had enough of this world- and that's when they start getting inventive. **The Book of Bunny Suicides** follows over one hundred bunnies as they find ever more outlandish ways to do themselves in. From an encounter with the business end of Darth Vader's lightsaber, to supergluing themselves to a diving submarine, to hanging around underneath a loose stalactite, these bunnies are serious about suicide.
