The Chronicles of Soone - Warrior Rising James Somers

SPIRITUAL DARKNESS: A devastating interplanetary war has been raging for decades. The fallen ones have instigated mankind's downfall, waging a sinister campaign leading towards a singular goal, universal domination.

A WARRIOR RACE: Long the ordained guardians of peace, the Barudii, have been reduced to a scattered remnant struggling to survive. All but wiped out by the Vorn clan, they have little hope of stopping the genocide that threatens mankind's survival.

THE LAST HEIR: Tiet soone--betrayed by the brother he never knew he had--is now the only remaining heir to the Barudii throne, returning from exile to avenge his fallen people. He is the final hope for restoration, and the only one that can mediate a peace between the warring clans before it's too late...before the dark forces opposing his every effort succeed in enslaving humanity. To claim victory he will do what Barudii warriors do best...fight-to the death if need be.

"James Somers is one of my favorite authors. His pacing, creativity and the unique spiritual perspective he brings to his stories never disappoints." – Jeremy Robinson, author of *PULSE* and *INSTINCT*.

PRAISE FOR: THE REALM SHIFT TRILOGY

"The Realm Shift's intrigue is second only to its action!" -- Wayne Thomas Batson, author, *The Berinfell Prophecies* and *The Door Within Trilogy*.

"The Realm Shift doesn't just draw you in, it sucks you in! The story is full of mystery, adventure, danger and inspiration. I highly recommend it!" -- Brian Tubbs, Pastor, Sligo Baptist Church.

"The Realm Shift is written in a grand mythic type of storytelling reminiscent of Tolkien's *Lord of the Ring* Trilogy. It grabs the reader from the get-go and takes you on an intense ride through its thrilling, unstoppable trajectory!" -- Rai Aren, author, *The Secret Sands*.

"The Realm Shift is spiritual warfare as you've never read it before. An awesome book!" -- Betty Dravis, author, *Toonies Invade Silicon Valley* and *1106 Grand Boulevard*.

PRAISE FOR: THE CHRONICLES OF SOONE

"...an intense, action packed sci-fi story with a heart. A gripping story, not to be missed!"—Jeremy Robinson, Bestselling Author of: *PULSE*, *INSTINCT* & *BENEATH*

"Sparks of Creative Genius: Somers' strength is plotting. No bog down scenes here. It just keeps amping. Wait until you meet the cyborg assassin Vale. He alone adds a rogue suspense mechanism worth the price of admission. The Vorn, the Barudii, the transdimensional rift--all very cool elements. A Story Worth Hearing!"—Wayne Thomas Batson, Bestselling Author of: *The Door Within Trilogy*, *Isle of Fire* & *The Berinfell Prophecies*

"Everything an action sci-fi fan could ask for: Full of battle. From the opening scene I was captivated. Woven into the action are moral dilemmas and tragedy, coupled with a unique perspective on the battle

between good and evil. An excellent read.”—Craig Alexander, Author of: The Nineveh Project & The Assassin
