Arkansas History: An Annotated Bibliography (Bibliographies of the States of the United States) Tom W Dillard, Michael B. Dougan, Timothy Nutt

Arkansas has frequently been omitted from surveys of the South and from national history. One reason has been the limited archival resources; another, the absence of a university press. Recently, however, archives have proliferated, and a solid mass of scholarship has come from the University of Arkansas Press and the Arkansas Historical Society. This bibliography shows that there is no shortage of research materials on Arkansas. The only full bibliography on Arkansas, it provides an essential guide for historians and librarians wishing to bring Arkansas into the mainstream of America history.

The volume provides a guide to the growing literature on Arkansas rich prehistory and to the pre-American colonial period, which lasted some 250 years. Two chapters focus on the statehood period. The volume then includes a series of topical chapters covering such subjects as minorities, business and economics, education, social history, and cultural and intellectual areas. There are also separate chapters on local and county history, general histories, archives and museums, and historic sites. The volume opens with a short chronology and provides subject and author indexes.
