Janet A. Kourany, James P. Sterba, Rosemarie Tong

Feminist Philosophies: Problems, Theories, and Applications (2nd Edition) Janet A. Kourany, James P. Sterba, Rosemarie Tong

This anthology of 40 readings combines both an extensive discussion of the major problems confronting women with an in-depth analysis of the alternative theoretical and practical means for resolving these issues. Covering a broad range of concerns, this book also proposes the means for addressing these concerns. It includes race-based critiques as a means of promoting a truly multicultural feminism. It also provides suggestions on further reading in each section. The second edition of *Feminist Philosophy* has been revised to include updated readings covering issues such as date rape , sexual harassment, and new reproductive technologies. Adds new sections on Cultural Feminism and Ecological Feminism as well as more accessible sections on Liberal Feminism and Marxist/Socialist Feminism. Incorporates a Cultural Invisibility section critiquing contemporary culture. Finally, addresses men's responses to feminism and related men's movements as a means of promoting gender-inclusive feminism. An essential resource for every reader interested in this perspective of the relationship between women and men.

Rosemary Perez:

This Feminist Philosophies: Problems, Theories, and Applications (2nd Edition) is a great resource for you because the content that is full of information for you who always deal with the world and get to make decisions every minute. This specific book reveals its information accurately using great organized words or we can claim no rambling sentences within it. So if you are reading that hurriedly you can have whole details in it. Doesn't mean it only provides you with straightforward sentences but difficult core information with beautiful delivering sentences. Having Feminist Philosophies: Problems, Theories, and Applications (2nd Edition) in your hand like obtaining the world in your arm, info in it is not a ridiculous one. We can say that no resource that offers you the world throughout ten or fifteen moments right but this publication already does that. So, it is a good reading book. Hey Mr. and Mrs. occupied do you still doubt which?

Robert Hansen:

As a scholar, I exactly feel bored to reading. If their teacher inquired them to go to the library or even make a summary for some e-book, they are complained. Just very little students that have reading's soul or real their passion. They just do what the teacher wants, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise, words say, many ways to reach Chinese's country. Therefore,

this *Feminist Philosophies: Problems, Theories, and Applications* (2nd Edition) can make you really feel more interested to read.
