A woman resigned to accept the hand she's been dealt. A sexy Hollywood actor looking to get his act together. A man obsessed with what he can't have. Callie Chandler's vacation getaway was solely intended to take her mind off the chaos that has ruled her life for the past two years. The thought of a no pressure, no expectations fling has never entered her mind until happenstance finds her in the lap of sexy Hollywood actor Jackson West, nursing his own woes and taking stock. Much to Callie's surprise she is flirting and lusting after a man for the first time in her life and the sexual desire he awakens in her opens her up to the possibilities of more... But a threatening call leaves her fleeing the island without a way for Jackson to contact her. Months later when their paths cross again Jackson wants a second chance and they resume their passionate romance. However, when Callie's ex-husband's fixation with her grows more disturbing she fears that the price of staying with Jackson is too high and is unwilling to risk his career. Jackson insists the fame doesn't matter to him but when Callie's past is exposed and the media storm hits he falters, leaving her devastated and heartbroken. Can Jackson prove to be the man she deserves? Will Callie come to believe that she is worthy of a man willing to risk everything because of love?
