The Phonology of Armenian (The Phonology of the World's Languages)

Bert Vaux

The Phonology of Armenian (The Phonology of the World's Languages) Bert Vaux

This study presents the first contemporary linguistic treatment of Armenian, an Indo-European language whose distinct dialects range geographically from Poland to India. The book documents a rich linguistic (and literary) history dating from the fourth-century translation of the Bible into Classical Armenian. Data are drawn from Classical, Middle, and Standard Eastern and Western Armenian, and from the author's fieldwork on non-standard dialects.
