"When In Doubt Choose Freedom": A Pursuit of Liberty and Steak Fitz Conrad

A road trip out west and into the mind of freedom is the setting for this collection of observations on the current state of American liberty. Beginning with the Beatles "Love" show in Las Vegas and ending with the 72-ounce steak challenge in Amarillo, Texas, the great issues facing the nation in the early 21st century of the day are treated with humor and healthy skepticism. The book is a compilation of previously published print and on-line commentaries dealing with the fun and foolishness of Politics, Foreign Policy, Health Care, Culture, and the early Obama years.
