Different This Time: Molly Downs Outback Romance Series Tess McCallum

Ten years after fleeing her outback home, international model Jenny Hynes was back to settle her father's estate and close the book on their fractured relationship. She had no intention of sticking around any longer than absolutely necessary and certainly no intention of rekindling her relationship with the man who had shattered her tender, eighteen year old heart. If only he didn't still make her body sizzle with desire...

The moment Scott Armstrong set eyes on Jenny Hynes again, he was determined to win her back. But a decade is a long time and she was no longer the shy, impressionable girl who had won his heart. The new Jenny was confident, worldly and very, very guarded. It would take all his patience, persistence and a healthy dose of chemistry to convince her they were meant to be together.
