Eight years ago Wayne Cameron hit rock bottom when Kaitlyn Barrett walked out of his life after she had done everything she could for him. She'd had to do what he couldn't—walk away from his addictions. Now a decorated soldier, Wayne was Special Forces in Afghanistan but returned to ranching life after an injury taken under fire.

Kaitlyn returns home to Southern Arizona to take over her father's ranch as she runs away from her demons...and she runs right into Wayne, her first and only real love. Despite her belief that she needs to keep those demons to herself, her and Wayne's desire and need take them straight to bed. He has everything he wants in life but he wants to burn up the sheets while earning back the love of his life.

Now that Kaitlyn is back, Wayne is determined to show her that he's a changed man and that he's there for her as she faces the darkness that once threatened to consume her. Forces are working against Kaitlyn, trying to keep her from finding her new start. But that same element shows her that she really does need Wayne's love, help, and support.

Together they work to save her ranch and restore a love meant to last for eternity.

Cheyenne grew up on a ranch in southeastern Arizona. She has been writing ever since she can remember, back to her kindergarten days when she penned her first poem. She always knew one day she would write novels, hoping her readers would get lost in the worlds she created, just as she experienced when she read some of her favorite books.

She has three sons, two dogs, and is an Arizona native who loves the desert, the sunshine, and the beautiful sunsets.
