My White Professor (A BWWM Erotic Romance) Sandra Bosslin

I've never been into white guys, but the moment I set eyes on my college professor, I know he is the exception. But I might be in over my head when this white man tells me exactly what he wants from me. Can I really do everything that he asks?

Warning: This hot story contains very naughty scenes between a pretty black student and her older white professor. If ropes and spanking offends you, then this might not be the book for you. Adult readers only.
