Rich Love

Aiden Cross is suave and attractive and not quite as rich as people seem to think. His parents have decided that the minor problem of wealth can be solved if Aiden simply marries Victoria Caine. He doesn't think much of the plan, but since he's only about 90% sure his parents wouldn't kill him and claim the insurance money, he figures he'd better do it. Then Saige Gilmore shows up on his doorstep.

Saige was only there to see her father. She certainly never expected to be so instantly attracted to a spoiled rich boy. But she can't seem to stop thinking about him when he's away and fighting with him when he's there.

As the attraction grows, Aiden is left with a choice. Save his family by giving up the woman he loves, or lose everything he's ever known?

A Boss's Forbidden Temptation

What happens when a maid finds herself in love with one of the wealthiest men in the country? That love, at first, is difficult to realize because of social pressures. But when a change of events occurs, the couple –

Caroline and Liam – find themselves in a whirlwind romance that is sure to dazzle the reader. The only barrier to their love is difference. She is black, he is white. She is poor, he is rich. His parents would never let him marry below his social rank. But then the unexpected happens and suddenly all the barriers to happiness have gone away, and they can start living the life they have always dreamed of. And this generosity flows to their friends and family as well. The chemistry between the two protagonists is awe-inspiring. This book will make you feel like you are in the driver's seat of a romantic love story and will leave you feeling like you have scored the ultimate catch – a man that is at once generous, kind, hot, and successful beyond anyone's wildest dreams.
