The King Will Make a Way: a story for the last days saint Lee Giles

This end-times story of faith and perseverance is an allegorical tale set in a village long ago. Gabe is the only one who knows the truth—the true King is still alive. Vulpine is determined to become king himself and will stop at nothing to force the villagers to give him their loyalty. Will the servants of the true King fight to overthrow Vulpine? When the servants face imprisonment and death, will they switch loyalties? What will become of Gabe when Vulpine realizes he's been teaching others about the King? Where is the true King? Living through the daily uncertainty of plague, persecution and even martyrdom, the servants of the true King learn that there is one thing they can always be sure of—The King Will Make a Way. It is my prayer that this book will challenge you and inspire you, not only to walk by faith but to give yourself wholly to following the King. A compelling and captivating story written with such rich image-inducing language. This story is one that demonstrates the true test of faith, and the reward for unwavering devotion. For those in need of a faith restoration, seeking affirmation, or searching for the greater good, The King Will Make a Way is an inspirational novel bound to fill your heart with love. Action sequences, sacrifices made for love, and breath-taking suspense make this a book to be read and enjoyed by both young and old. – Jen Greene, teacher
