Command by Sierra Cartwright

Book Three in the Bonds series

With all she has to offer, she's his to command...

Aria DeWitt is a runaway bride. Only months away from her wedding, she panicked, returning her engagement ring and donating her gorgeous gown to charity.

She's less than pleased when she's reassigned to a new work project and sent to work with Grant Kingston in the middle of nowhere. She knows of his reputation as a recluse and genius, but she isn't prepared for how

handsome, powerful and deliciously Dominant he is or how he ignites something inside her that no man ever has.

Grant isn't happy when his cherished solitude and creativity are shattered by Aria's unwanted and unwelcome arrival. That is until he glimpses her carefully concealed vulnerability. Aria's confidence and responsiveness intrigue him, ensnaring him in a way he'd never believed possible, chipping away the ice that shrouds his heart.

As he interacts with her, he realizes why she ran from marriage. She's never met someone strong and complex enough to hold her interest. And suddenly, he's determined to be that man.

Outstanding Reader & Industry Reviews for the Bonds series

Waiting for the next round of Awesomeness to come from this amazing author!! Just read it!

The sex and BDSM scenes were very HOT, and Kennedy will make you seriously wish for a sexy Dom like him!

Her scenes are sexy and fun and only enhance a great story. Even though this is part of a series, it can be read as a stand alone.

If you are a lover of BDSM reads, this is a series that I would recommend you check out.

Claim works very well as a stand-alone but I highly recommend reading the series from the beginning. If for no other reason than to get to experience Julian. Read. Claim. Now.

About Sierra Cartwright

Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice!

Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas...where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?)

Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits.

She invites you to take a walk on the wild side...but only if you dare.
