Dødsenglen Sara Blædel

Dødsenglen - et flere hundrede år gammelt og meget kostbart glasikon - har været i den stenrige familie Sachs-Smiths eje i generationer, men altid som en velbevaret hemmelighed. Derfor kommer det som et chok, da det en dag pludselig er væk, og bedre bliver det ikke, da politiet kan meddele familien, at morens død nogle måneder tidligere ikke var selvmord, men nu efterforskes som en drabssag. Samtidig er Louise Rick fra drabsafdelingen på Københavns Politigård blevet involveret i en sag om en kvinde, der er meldt savnet under en rejse til Solkysten. En af politiets teorier er, at hun har ønsket at begynde et nyt liv, men da en kendt ?lminstruktør kort efter forsvinder sporeløst i samme område, er Louise ikke længere i tvivl: De to kvinder er blevet bortført eller dræbt. Da sagen om Dødsenglen optrappes med en gidseltagning, bliver Louise inddraget, og mens det langsomt går op for hende, hvordan Sachs-Smith-historien hænger sammen, ?nder hun samtidig et afgørende spor i forsvindings-sagen. Til hendes overraskelse viser det sig, at de to sager er for bundet, og at sandheden om den ene afslører sandheden om den anden.

Please note: This audiobook is in Danish.

From reader reviews:

Helen Turner:

This Dødsenglen usually are reliable for you who want to be considered a successful person, why. The key reason why of this Dødsenglen can be among the great books you must have will be giving you more than just simple looking at food but feed an individual with information that possibly will shock your earlier knowledge. This book is usually handy, you can bring it everywhere and whenever your conditions in e-book and printed kinds. Beside that this Dødsenglen giving you an enormous of experience including rich vocabulary, giving you tryout of critical thinking that we all know it useful in your day activity. So , let's have it and revel in reading.

Lorraine Briggs:

This Dødsenglen is great e-book for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it data accurately using great plan word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having Dødsenglen in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no reserve that offer you world inside ten or fifteen small right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt which?

Maritza Berry:

In this era globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended for you is Dødsenglen this e-book consist a lot of the information from the condition of this world now. That book was represented how does the world has grown up. The terminology styles that writer require to explain it is easy to understand. The writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.

Jeff Cunningham:

Beside this particular Dødsenglen in your phone, it could possibly give you a way to get nearer to the new knowledge or information. The information and the knowledge you might got here is fresh through the oven so don't end up being worry if you feel like an aged people live in narrow community. It is good thing to have Dødsenglen because this book offers for you readable information. Do you often have book but you don't get what it's interesting features of. Oh come on, that won't happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, just like treasuring beautiful island. So do you still want to miss this? Find this book in addition to read it from today!
