Jace Savage, yacht builder, skilled photographer and all around bad boy, is in trouble. Loads of it. From his messed up twin sister to the party lifestyle he left behind. But all he wants to do is get laid. When he meets Zoe Dubois, he's sure he can put his troubles behind him, put his wicked past to rest, and get his crazy needs met, in abundance. Not so.

Zoe Dubois is looking for love. When she meets Jace, sitting next to her former mistake of a fling Billy O' Reilly, she's certain he's going to be nothing but heartache and sorrow – as well as an extremely good time. At war with her desire for him, she resists his advances, only to give in to his seduction. But trouble keeps getting in the way.

Someone's going to have to change. Either Zoe will have to learn to trust, or Jace will. Until then, nothing seems to go right for this tempestuous couple, trying to claw their way to the deep love that exists between them – the love that will set them free, forever.

Mature content for an audience of 18+. The first in a two part bad boys romance series.

Interview with the Author:

Q. What makes this bad boy romance worth a read?

A. I have friends and family who have struggled to leave drug addiction, drug abuse and bad behaviors behind. It's a hard journey, but a worthwhile one. I wondered what it would take to get a sexy guy with a motorcycle and a hard and fast lifestyle to change. I also wondered what it would take to get a guy who's had his share of abuse to allow someone inside his protected heart.

Looks like Trouble to Me, tells that tale. It shows Jace Savage struggling with a desire to change, burdened by his past, finding love in unexpected places. His passion and desire for Zoé Dubois are just the motivation he needs.

Q. Will there be more Bad Boys Need Love, Too, books?

A. Yes! I'm working on The Trouble with Sweet, Sultry Sin. It's about Zed Farrell, Jace's friend, another bad boy looking to change.
